Dear Parents and Guardians,

The ConVal School District is collaborating with the New Hampshire Department of Education and the NH Center for Authentic Family Voice to better understand the district's family engagement practices.

For this reason, we ask for your input on a 9-question survey which addresses:

- connections between family and school,
- your student's learning goals,
- communications about successes and challenges in the classroom, and
- your voice in the process of your student's education.

We are hoping for an 80% return. Please take about 5-10 minutes to complete this questionnaire and provide us with your feedback.

Here is the link: <https://www.surveymonkey.com/r/ConValFamily>.

Filling out the survey is easy. You can use your phone or your home computer to answer the questions. Alternatively, we will have computers available in the Library Learning Commons during Thursday's Open House, if you would like to complete the questionnaire at that time.

Thank you for keeping our high school and district informed about your family's experience at ConVal

Sincerely,

Gib West
