Dear Parents and Guardians,

It's a beautiful sunny morning and temperatures today are expected to reach 80 degrees.

About a month ago, we asked for your support completing a 9-question survey which addresses:

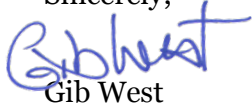

- connections between family and school,
- your student's learning goals,
- communications about successes and challenges in the classroom, and
- your voice in the process of your student's education.

We have not yet reached our goal of 80% return.

Before the window closes this Friday, please take about 5 minutes to complete the survey on behalf of ConVal High School: <https://www.surveymonkey.com/r/ConValFamily>. You can fill in the survey even if you have already filled it out for one of your students attending a district elementary or middle school.

Thank you very much for your support of ConVal High School by completing the questionnaire by Friday, May 4, 2018

Sincerely,

Gib West
