May 29, 2018

Good afternoon Parents and Guardians,

Let me begin this letter by thanking all those who supported the Pops concert last week. The band and chorus performances were terrific and demonstrated the level of excellence that students reach with their commitment to the craft and the teaching and coaching by our faculty.

With three weeks to go in the school year, we encourage our students to remain focused on their learning and to put their best effort into their work. To see the results of their endeavors, we would like to invite you to a **Celebration of Learning** on **Thursday, June 7, 2018** from 6:00 to 8:00 pm.

The event will showcase the many accomplishments of our students as they present exemplars of their work. It will feature original artwork, projects, presentations, and performances representing courses in the areas of agriculture, calculus, ceramics, engineering, German, health and wellness, history, literature, marketing, music, philosophy, photography, psychology, science, Spanish, studio art, woodworking, and more!

On **Monday, June 11, 2018** we ask that all student Chromebooks be returned with their chargers. This is a date that has been determined district-wide to facilitate the proper return of the devices. Please remind your student to bring back both the Chromebook and the charger unit. Thank you for your support!

Sincerely,

Gib West
