The ASVAB will be offered on Wednesday, January 27, 2016 from 7:30 - 11:00 am at ConVal. Sign up in the Counseling Office. The ASVAB is a career planning and exploration program that combines a multiple-aptitude test with an interest self-assessment and a wide range of career exploration tools. It is offered free to any interested senior or junior in January at ConVal. The test combines an aptitude test (required for entrance to any military branch) with a career interest inventory. Following the test, representatives come to explain the results to students, and to help them match up with potential careers. The ASVAB is an excellent assessment for any student who is still unsure about their future career path, and, for those interested in the military, it is good practice for the "real" ASVAB!

Do you think you're a comical human being? Want to spend one day of your week having fun and playing games? You might be the right type of person to join the new ConVal Improv Club! First meeting is this Thursday, January 7th from 2:30-4:00 pm. Come for information and some fun.

There will be a meeting of all NHS members both old and new this Thursday at 7AM in room 309.

SOUL is sponsoring a "Coats for Kids Drive" that ends today, January 7th. Boxes for the coat collection will be in the link. Coats that have rips, tears, broken zippers or permanent stains will not be accepted.
