The ASVAB will be offered on Wednesday, January 27, 2016 from 7:30 - 11:00 am at ConVal. Sign up in the Counseling Office. The ASVAB is a career planning and exploration program that combines a multiple-aptitude test with an interest self-assessment and a wide range of career exploration tools. It is offered free to any interested senior or junior in January at ConVal. The test combines an aptitude test (required for entrance to any military branch) with a career interest inventory. Following the test, representatives come to explain the results to students, and to help them match up with potential careers. The ASVAB is an excellent assessment for any student who is still unsure about their future career path, and, for those interested in the military, it is good practice for the "real" ASVAB!
