"Are you a first time voter--or will you be soon? Are you thinking a lot about the current political race and wishing you knew more? Mr. Bowman is offering a TASC talk on January 26, 29, and February 3 dedicated to learning about the election process, how to vote, how to register to vote, and everything that has to do with your role in the elections. Please have yourself scheduled to these meetings if you are a current senior (or will be 18 soon) and you want to learn about voting! You can find the TASC talk under the social studies department listings. It would be best if you came to all 3 talks but you may schedule for fewer if you wish"

## **Volunteer/Community Service Opportunity**

- Do you like snowshoeing or basketball?? Do you like working with children?? Are you interested in community service or volunteer work?? If you answered yes to any of these questions please contact Mrs Heddy ASAP. Room 651 or jheddy@conval.edu

Avenue A Teen Center has open house hours for teens every Friday from 6:30 - 9 pm. Avenue A is located on Main Street in Antrim and is a great place for kids to hang out!

There will be a free SAT Prep Course offered for Juniors only beginning on Tuesday, February 2. The course will run on Tuesday and

Thursday evenings from 6:00-8:15pm for three weeks. Registration forms are available in the Main Office and the School Counseling Office. Contact Mr. Reitnauer with questions.

The Class of 2017 will be holding a Winter Dance on Saturday, February 6<sup>th</sup> from 7:00 – 10:00 PM in the Cafeteria. Tickets will only be available at the door. Cost is \$10.00 per person. If you plan on bringing a non-Conval guest to the dance you will need to pick up a form in the Main Office and return it to the Main Office by the end of the day February 3<sup>rd</sup>.

The ASVAB will be offered on Wednesday, January 27, 2016 from 7:30 - 11:00 am at ConVal. Sign up in the Counseling Office. The ASVAB is a career planning and exploration program that combines a multiple-aptitude test with an interest self-assessment and a wide range of career exploration tools. It is offered free to any interested senior or junior in January at ConVal. The test combines an aptitude test (required for entrance to any military branch) with a career interest inventory. Following the test, representatives come to explain the results to students, and to help them match up with potential careers. The ASVAB is an excellent assessment for any student who is still unsure about their future career path, and, for those interested in the military, it is good practice for the "real" ASVAB!
