# What is the Parent Portal?

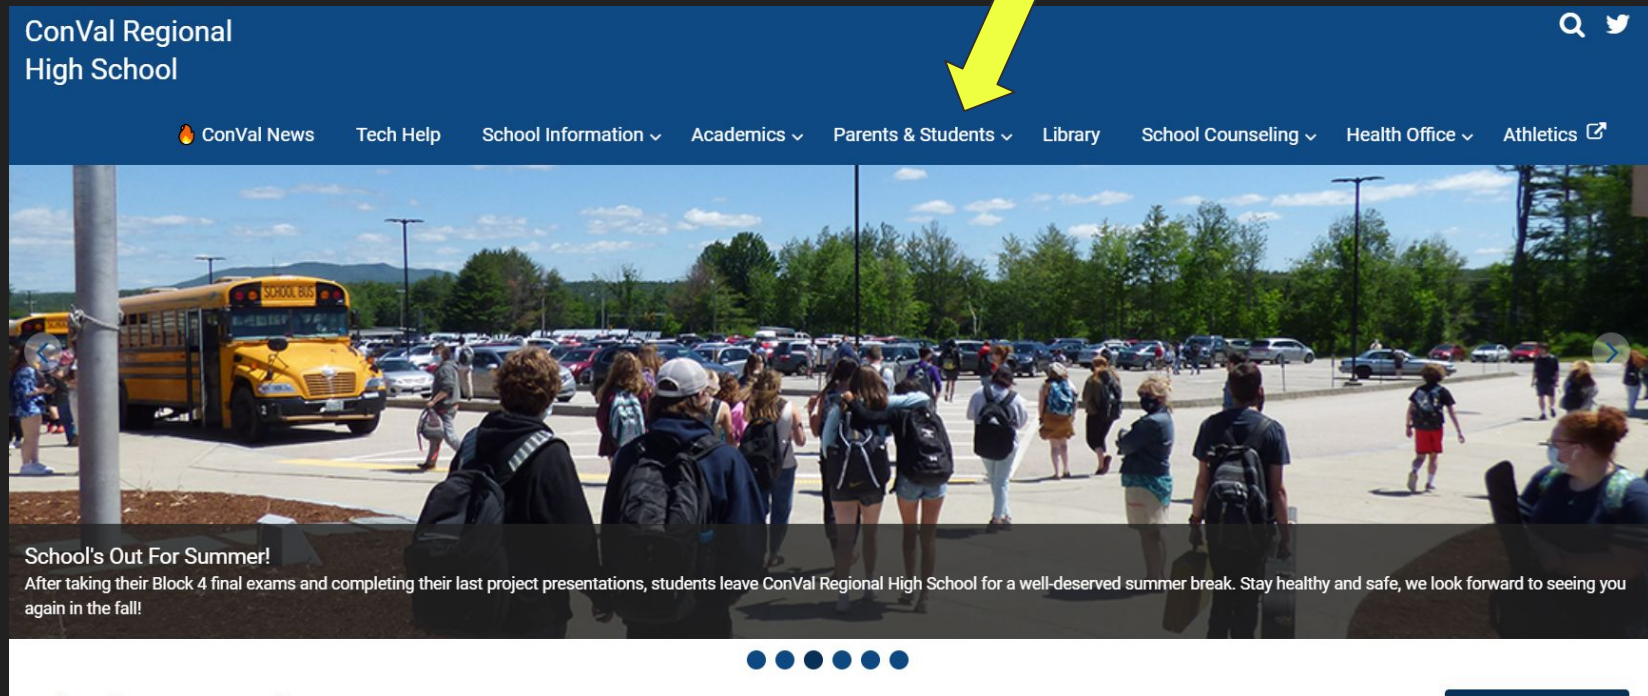

ConVal School District uses PowerSchool as its Student Information System.

It is where teachers record students' grades and attendance.

The Parent Portal allows parents to see these for each of their child's classes.

# Where to find it:

Go to the school website ([cvhs.convalsd.net](https://cvhs.convalsd.net)) and choose the Parents & Students tab.

# Click on “Parent Portal”
