How to select courses in PowerSchool

Step 1: Login to PowerSchool at ps.conval.edu/public

Step 2: After logging in, you will be directed to the home screen. Choose the course registration link on the left side of the screen.

The screenshot shows the PowerSchool web application interface. The browser tabs include 'ConVal Regional High School - P...', 'Requesting Setup', 'Course Requests', and 'Untitled document - Google Do...'. The address bar shows the URL: ps.conval.edu/admin/powerschedule/requestsetup/requestformpreview.html?mode=preview&gradelevel=10&schedulerequestyearid=3000&user=guardian. The page title is 'PowerSchool'. The main heading is 'Welcome to the ConVal High School Class Registration System for 2020-2021'. Below the heading is a welcome message: 'Please communicate with your current teachers and your family to make thoughtful decisions about the courses you select. We encourage you to read the Program of Studies online and use the Course Registration Sheet prior to making your selections in the PowerSchool portal. Your school counselor will schedule a meeting with you to review your requests before finalizing them. Prerequisites must be met before a course can be requested. Be sure to review the Program of Studies before making your selection.' There is a link 'View course requests'. The page displays three course categories: 'English' (ENGLISH 10), 'English Electives', and 'Social Studies' (AP WORLD HISTORY). The 'English' section shows 'ENGLISH 10' with 'ENG13002 - 1 credits' and 'The sophomore program'. The 'English Electives' section shows 'Optional: Sophomores may choose English elective courses. These credits will count as elective credits but do NOT replace the English 10 requirement.' and 'Number of requests to generate : 1'. The 'Social Studies' section shows 'AP WORLD HISTORY' with 'SOC16310 - 2 credits'. A red circle highlights the 'Class Registration' link in the left navigation menu. A red arrow points to the text 'but do NOT replace the English 10 requirement.' in the English Electives section.

How to select courses in PowerSchool

Step 3: The class registration page has options organized into categories. These categories indicate details about those classes, such as if the selected one is required, recommended, or optional.

The screenshot displays a user interface for selecting courses. At the top right, there is a link labeled "View course". Below this, the "English" category is shown with a sub-section for "ENGLISH 10". The "English 10" section includes the course code "ENG13002 - 1 credits" and a description: "The sophomore program". Below the description, there is a field for "Number of requests to generate : 1".

The "English Electives" category is also visible, with a description: "Optional: Sophomores may choose English elective courses. These credits will count as elective credits but do NOT replace the English 10 requirement." Below this description, there is another field for "Number of requests to generate : 1".

At the bottom right of the screenshot, there is a button labeled "Click the edit button to request a".

Step 4: To select a course, use the pencil option to see the available options in a given category as well as description information regarding each course. Courses are listed alphabetically.

Check the box in order to select the course. Some categories will allow you to select multiple courses if you so choose.

The screenshot displays the PowerSchool interface for course selection. On the left is a navigation menu with options like 'Grades and Attendance', 'Missing Assignments', 'Grade History', 'Attendance History', 'Teacher Comments', 'Student Reports', 'School Bulletin', and 'Class Registration'. The main content area is titled 'Welcome to the ConVal High School Class Registration System for 2020-2021'. Below the welcome message, there are two course options:

- English**: Required: Sophomores are required to take English 10, English 10 Honors or AP English Language. Number of requests to generate : 1. A pencil icon is visible to the right of this option.
- English Electives**: Optional: Sophomores may choose English elective courses. These credits will count as elective credits but do NOT replace the English 10 requirement. Number of requests to generate : 1. A pencil icon is visible to the right of this option.

A red arrow points to a checkmark icon in the top right corner of the 'English' course row, indicating the selection step.
